designer Studiopepe
product Bonfire
recap Get bent! Molten glass measuring a substantial 10 millimeters thick curves into an elegant table lamp. Conceived by the Milanese design agency helmed by Arianna Lelli Mami and Chiara Di Pinto, the fixture measures 33 by 20 centimeters across and stands 30 or 50 high. Colorways range from purpleish Peonia and green-black Mirto to warm amber Cosmo and Calendula. A black chromed-

gallotti & radice

metal structure supporting the LED light source terminates in an ultra-chic black-silk electric cable. Through DDC. gallottiradice.it; ddcnyc.com
